

## **Distance and the exclusion of resource**

Ears are closed off with knives.  
Knives are the blood-rust of new death  
In each hope decomposed into useless toenails  
Never denied in the Adolf Hitler of Truth  
We decompose into the Love of our Eternal Death.

The Death is the Love for New Death of  
Eternal Decomposing of the Self. Each tooth  
denied its eternal dieing in a new Plucked Out.  
Each Eye Decomposed Strident as a Truth  
Of all Tears Denied Truth as a vile Evil Itself.  
This Denial is a New Death, a New Hope of Death,  
A New Decomposition of Death which threatens All in Truth,  
Denied of Truth as a New Happiness in Itself Circumcised  
In it Vicious Blood of New Hope of Death, new Denials  
And New Cuttings Off.

Thus we are thrice removed from our Circumcisions,  
First in its Death  
Then in its Love of Death  
Then in its Truth of Death revealed in the  
Denial of Death Revealed as Truth itself.  
Thus we always in Eternity of the Love of Ourselves  
This is the Eternity of the Truth of Love.

Eternal Zombies of the Mind  
We Love You. This is Mice.
